

ABOUT THE CANDIDATES

Kieran brings three decades of experience ensuring the voices of people with disabilities are heard and included when decisions are made. His advocacy for everyone in our communities would be even stronger as an elected councillor.

Ruth has lived and raised her family in and around here for more than thirty years. She is a champion of local services that people rely on, such as our library and civic centre. As a councillor, she would be able to deliver much more for our children and grandchildren.

Jo was first elected as your councillor in 2018. She loves amplifying your voice and achieving positive change, such as restoring train services to Bromborough Rake, traffic calming, some justice for New Ferry and the Real Living Wage for care workers.

Hardest working:

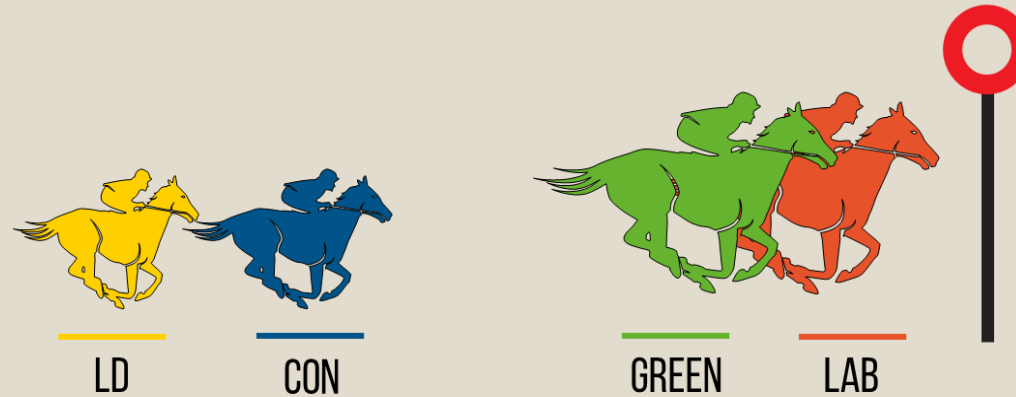

Over the past three years councillor **Jo Bird** has reported over five times as many cases on behalf of residents as your **Labour** councillors. Electing Kieron, Ruth **AND** Jo means we can do even more for you.

COUNCIL ELECTION: GREEN OR LABOUR

OTHER PARTIES CANNOT WIN HERE

YOU DECIDE

1. Which team do you hear from throughout the year with regular newsletters, door-knocking and surveys?
2. Which team has a proven track record of getting things done in our area?
3. Which team, apart from Labour, can win?
4. Which team is free to speak up for our community?

The answer is clear. Kieran, Ruth and Jo are the only candidates who can win and get on with working hard for you. Voting for anyone else will simply elect Labour councillors told how to vote by their party.
